

Grid Squares & Spits (list all grids excavated within this context and tick the appropriate spits)

Sketch

A hand-drawn sketch map showing a road network. A vertical road on the left has several horizontal roads branching off it. The vertical road is labeled with road numbers in brackets: <2017> at the top, <2018> below it, <2090> further down, <2027> below that, and <2023> at the bottom. A horizontal road branches off to the right from the vertical road, labeled <2007>. Another horizontal road branches off further to the right, labeled <2034>. A diagonal road branches off from the bottom of the vertical road, labeled <2035>. A dashed line runs parallel to the bottom of the vertical road. A label 'looking pit' is written at the top left. A scale bar is at the bottom left, labeled 'Scale:'. An arrow points upwards from the scale bar.
