Grid Squares & Spits (list all grids excavated within this context and tick the appropriate spits)

The graph displays two curves on a grid. The horizontal axis is labeled 'Spit' and has major grid lines every 1 unit, labeled from 1 to 25. The vertical axis is labeled 'Grid Squares' and has major grid lines every 1 unit, labeled from 0 to 25. One curve starts at the point (1, 25) and decreases as it moves to the right. The other curve starts at the point (1, 0) and increases as it moves to the right. The two curves intersect at approximately the point (10, 10).
