Sketch

The sketch illustrates a series of U-shaped depressions, likely representing glacial troughs or kettle holes, arranged in a line. The depressions are labeled from left to right as 5038, 5037, 5036, and 5039. The depression for 5039 is partially obscured by a vertical line. Below the main series of depressions, there is a smaller, irregular depression labeled '5041'. At the bottom left, there is a vertical scale bar with an upward-pointing arrow, labeled 'Scale:'. Above the main sketch, there is a small, handwritten letter 'Z'.
