Sketch

A hand-drawn sketch of a polygon on a grid background. The polygon has five vertices. The top-left vertex is at approximately (10, 250). The top-right vertex is at approximately (830, 280). The bottom-right vertex is at approximately (830, 950). The bottom-left vertex is at approximately (570, 890). A diagonal line connects the top-left and bottom-left vertices. The number '7805' is written inside the polygon, rotated 90 degrees clockwise. A north arrow is located to the right of the polygon, pointing upwards and slightly to the right. A scale bar is located at the bottom left, consisting of a horizontal line with an arrow pointing to the right, labeled 'Scale:'.
